Ottawa, 13rd May, 1913.

Sir,

I beg to acknowledge receipt of your letter of the 10th ultimo, your reference 166953, and to return herewith application for patent of Mr. Charles Mayberger for the S.½-15-50-19-W.-4th-meridian. I am to point out that in the above application the homesteader claims residence on his homestead, whereas in his declaration of the 16th of February 1911, he stated he resided with his father on the N.E.¼-7-50-19-W.-4th-meridian. The homestead inspector in his report of the 17th of July, 1911, stated that the homesteader had performed more than half the duties since July 1909, with his parents on the N.E.¼-7-15-19-W.-4th.

I would also point out that in the above application the homesteader claims residence from May 1908, to May 1909, on the S.E.¼-2-54-20-W.-4th, (which land he surrendered to the Crown, and was allowed to count the duties performed thereon in connection with his present homestead), whereas in his statement filed in the Edmonton office in April 1912, he stated he had performed the residence from May, 1908, to May 1909, by residing with his father on the N.E.¼-34-53-20-W.-4th-meridian.

The Agent of Dominion Lands,
Edmonton,
Alta.

The Application.

The application cannot be accepted in its present state, and the homesteader will have to state exactly where his residence has been performed during the time he held the S.W. 1-2-54-20-W.-4th-Meridian, and also during the time since obtaining entry for his present homestead. If the residence was been performed in the vicinity, he will have to show that he has thirty acres of breaking, and twenty acres crop-ed. The five acres broken on the S.W.-.-4-20-W.-4th Meridian can be counted in connection with the cultivation duties performed on his present homestead.

It will also be necessary for the homesteader to furnish a certificate of naturalization as a British subject. I would also call your attention to the manner in which witness Henry Krump has answered question 1., in his evidence. The witness should be asked what is the correct answer to this question.

Your obedient servant,

Assistant Secretary.

Memorandum:

Mr. Perrin.

Section 24---24--10-W.5th M.

C. O. Reference 4491 is a request for a report on an application by Mr. George Robinson for 320 acres in Section 24--24--10-W.5th Meridian, now included in Rocky Mountains Park.

It would appear from the correspondence on the Parks file herewith that Mr. Robinson has been living on this land for over twenty years and for some years past has received a yearly permit to remove sand and gravel.

This man is a part time Park Warden and receives from the Department a salary of $200.00 per annum. (It is doubtful whether this would interfere with his right to homestead)

The S.½ and N.W.¼ of the Section was surveyed in March, 1889 and the N.E.¼ in January, 1907.

This Section is in a tract of land which the Department has decided to exclude from Rocky Mountains Park and the matter is now before Parliament.

On the 5th June, 1929, the Minister wrote Mr. Robinson that in the event of the Section being excluded from the Park his wish to secure 320 acres thereof would be given consideration.

If this land is withdrawn from the Rocky Mountains Park, it is apparently the intention of the Department to consider the advisability of including it in the Rocky Mountain Forest Reserve. Therefore, if the land is released from the Park and included in the Forest Reserve, Mr. Robinson's case would have to be taken up by the Forest Service.

We do not know whether Mr. Robinson is eligible to take up a homestead and if he is he is only

entitled.....

entitled to one quarter-section and we do not know what portion of the Section he wants.

The whole Section is clear, except that it is at present included in the Rocky Mountains Park. The railway right-of-way in the S.½ of the Section has been patented to the Canadian Pacific Railway Company.

The Commissioner of Parks has been requested by the Acting Deputy Minister to submit Mr. Robinson's application to the Commissioner of Dominion Lands so that the latter may be in a position to submit a report on the application immediately the area has been withdrawn from the Rocky Mountains Park.

COMMENT:

The National Parks Act. The 2 regulations mentioned in the letter from herewith contains the [illegible] Department's file [illegible] regard to Mr. Robinson's application for a part of this section.

MEMORANDUM: Ottawa, 13th May, 1930.

Mr. Gibson. Re - Sec. 24-24-10-W.5th M.

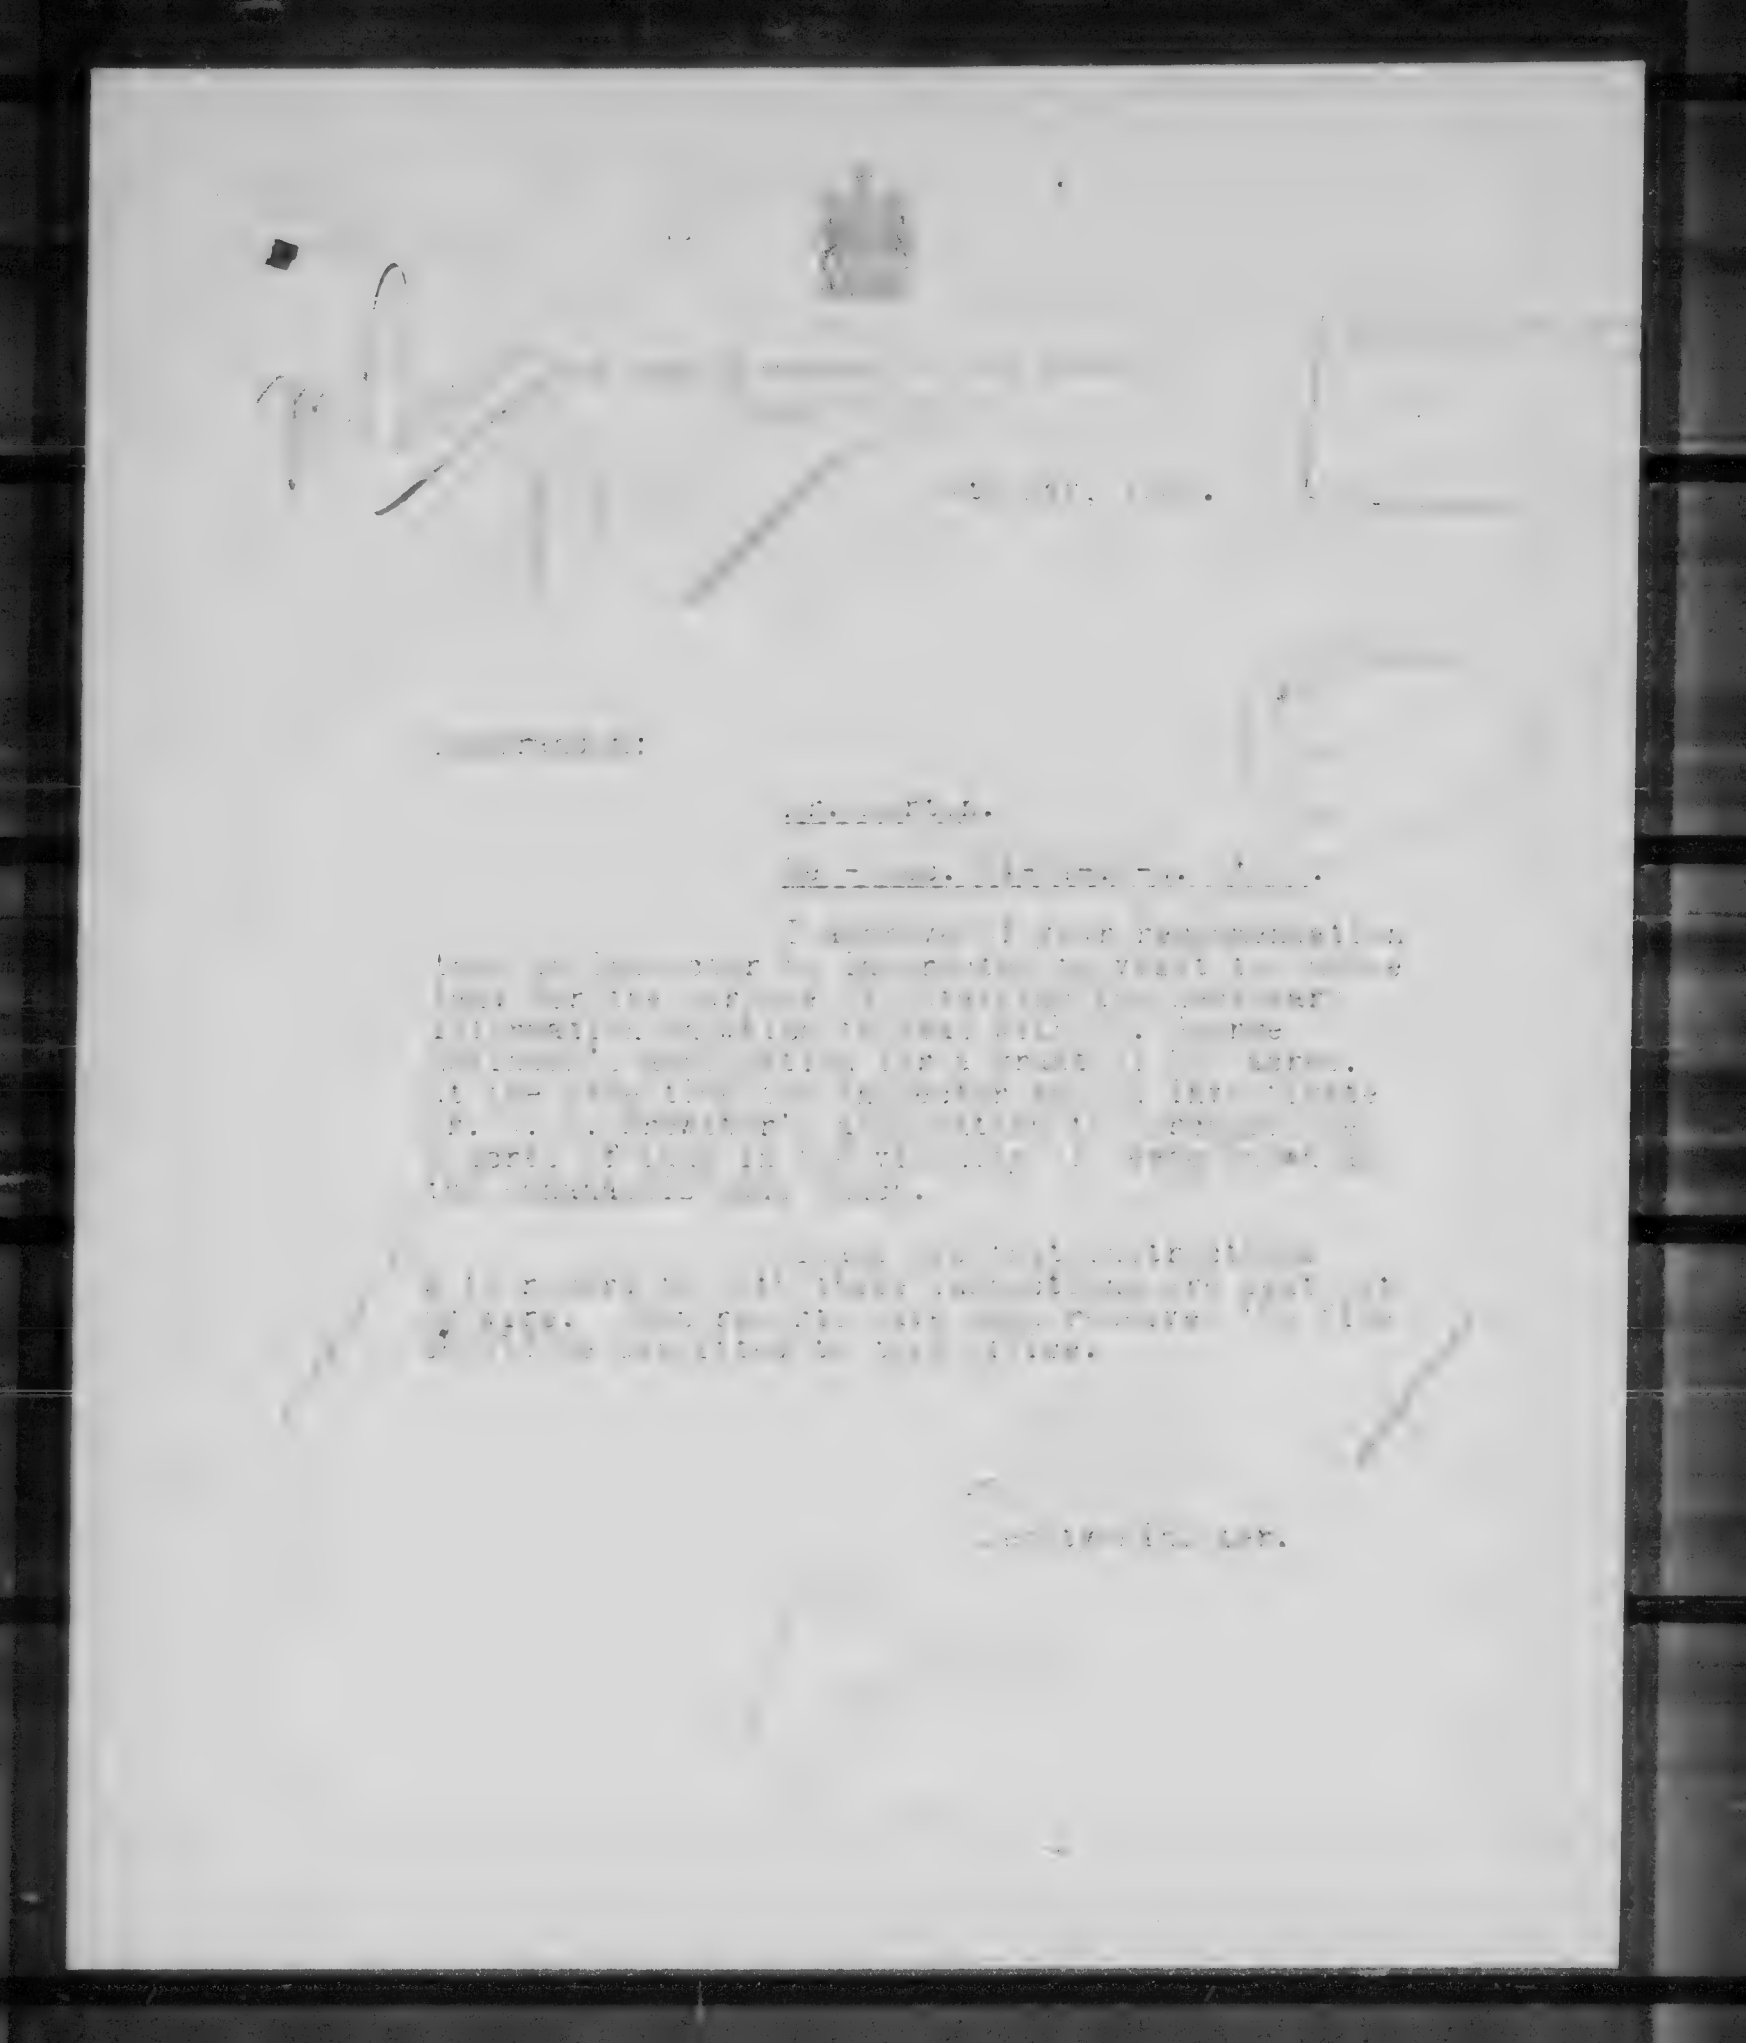

You referred to me a copy of your memorandum of the 22nd ultimo, addressed to Mr. Harkin, with respect to the application of Mr. George Robinson for a grant of 320 acres in the section above noted immediately the area has been withdrawn from Banff Park.

Mr. Robinson has no legal claim to any portion of the section and we have no information on our files as to the extent of any improvements he may have placed on the land or to what extent his operations in the removal of sand and gravel may have affected the value of the section.

Under the circumstances, it is suggested that we have an Inspector investigate and report which portion of the section Mr. Robinson desires, the extent of his operations in connection therewith, the portion of the section on which his improvements have been placed and value of said improvements, also what actual residence he has performed on the land.

It might also be advisable to have the Inspector place a valuation per acre on the half section and report whether Mr. Robinson is eligible for homestead or soldier grant entry. Upon receipt of this report it might then be decided if any consideration could be given Mr. Robinson's claim.

Assistant Commissioner.

Memorandum:

Mr. Perrin.

Section 24--24--10-W.5th M.
George Robinson.

Pt.S.W.¼-4--25--8-W.5th M.
W. A. Brewster.

On instructions from the Deputy Minister (see memorandum 14th May, 1930, marked) an Inspector was instructed to investigate both applications. The Inspector's reports have been received and the following statement is submitted:-

Section 24--24-10-W.5th M.
George Robinson.

This Section, which has been surveyed, is included in a tract of land which was excluded from the Rocky Mountains Park during the last session of Parliament.

Mr. Robinson, who has been living on this property for twenty years or more and has made valuable improvements thereon, wrote the Minister on the 4th January, 1929, while the land was still in the Park, asking that in the event of the Park boundaries being changed he be allowed to secure free hold rights on some 320 acres and the Minister replied that legislation with respect to Park boundaries had not yet been introducted in Parliament. Mr. Robinson wrote the Minister again on the 1st June, 1929, reminding him of the matter and the Minister replied that a note had been made of his application so that it might be considered in the event of the land becoming available.

Mr. Robinson is a part time Park Warden and receives from this Department a salary of $200.00 per annum.

He has been living on the land for a long time although he received no permission from the Department to do so. His residence does not give him any rights which must be recognized by the Department. The only official rights which Mr. Robinson has been granted in regard to this area has been a yearly permit to remove sand and gravel.

Inspector.....

Inspector Dempsey has now furnished the following report:-

"I beg to advise you that I have "recently visited this land and find that Mr. "Robinson has the following improvements all "upon Legal Subdivision 1 of the above Section, "i.e., log house 24 x 24 valued at $1200.00, log "shack 12 x 24 $200.00, frame shack 16 x 24 valued "at $400.00, frame barn 10 x 16 $100.00, powder "magazine 10 x 16 $1000.00, cement blacksmith "shop and boiler room 18 x 30 $500.00 and also has "a spur track built upon this property for 600 ft. "running to a gravel and sand pit all upon L.S.D.1.

"There is also a lime kiln built "upon this L.S.D. which I am given to understand "was built by a Mr. Faltrook, whose company is now "defunct (British Columbia Cement Co. Ltd.) about "1905.

"Mr. George Robinson squatted upon "this land in Feby. 1905 and has lived there continuously "since that date. He informs me that he intends to "acquire the S.½-24-24-10-W.5th and that he is also "eligible for homestead entry but not eligible for "soldier grant.

"The S.½ of this section is partly "upon a small wet flat with the railroad running "through L.S.D. 1 and as far as I can ascertain part "of L.S.D. 2 and also the main highway to Banff "running parallel to the railroad. The balance of "the ½ section is all upon the side of a mountain "with a small bench, and upon part of it, really "only suitable for the purpose to which it is being "put for gravel and sand.

"I would consider $4.00 per acre to be "a very fair valuation of this ½ section of land".

Pt. S.W.¼-4-25-9-W.5th M.
Wm. A. Brewster.

Mr. Brewster has made application to purchase 5 acres in the vicinity of Seebe known as Kananaskis Dude Ranch, upon which his buildings are located.

Mr. Brewster holds under lease 5 acres in the vicinity of Seebe which is known as Kananaskis Dude Ranch (see sketch marked). The lease is dated October 1st, 1928 and covers a period of twenty-one years.

It appears in January, 1929, he wrote asking for permission to purchase the five acres occupied by his Dude Ranch in the event of the land being excluded from the Park and the Minister replied on the 17th of the same month as follows:-

"I.....

"I beg to acknowledge receipt of
"of your letter of the 4th instant, in which you
"ask that in the event of your Dude Ranch being
"left out of Rocky Mountains Park as a result of
"any re-arrangement of the Park boundaries, that
"you be permitted to purchase the area presently
"held under lease.

"I appreciate your anxiety and that
"of others who expect to be left in the same
"position. However, I do not think you need worry.
"Any areas that may be withdrawn will likely be
"added to the Forest Reserves and under the Forestry
"Regulations the leases can be continued. The whole
"matter will be gone into very carefully and I will
"let you know later what is decided upon".

On the 14th March, 1930, an Order-in-Council was passed authorizing the granting of a grazing lease to Mr. Brewster of land in the Park in connection with his Dude Ranch. It was then necessary to have a survey made of the land which was to be included in the lease. This survey was made and it was recently decided that a lease should be issued to run concurrently with the lease issued for the Dude Ranch which was for a term of twenty-one years. The five acres on which his buildings are located is included in the lease.

Inspector Templany has recently furnished the following report on the five acres occupied by Mr. Brewster's buildings and for which he wishes to secure title:-

"I beg to advise you that I have recently
"visited this land and find that Mr. Claude Brewster
"has been living upon this land for the past 8 years
"and has been operating a Dude Ranch from this point.

"Upon the specific five acres which they
"wish to acquire and which the following is the legal
"description of the S.W.¼-4-25-3-W.5th M. Commence
"at iron stake with four pits marking west boundary of
"Stoney Reserve near left bank of Bow River as shown
"Reserve, plan Stoney Reserve made by J.C. Nelson,

"area:

"A frame house, stucco outside valued at $1200.00
"one six sided log building with 20 ft. sides, valued
"at $1500.00, log building 28 x 32 $2000.00, 2 log

"This...

"This five acres is upon a stoney flat "and is practically covered in poplar and spruce "trees, I would consider $25.00 per acre to be a "very fair valuation of the land in question".

(note) I might add that Miss Emily Yates also runs a Dude Ranch and a lease of a similar kind has been or is being issued in her favour.

.....

In both cases the land has been withdrawn by Act of Parliament from the Rocky Mountains Park.

Memorandum.

Mr. Cory.

Kindly refer to your memorandum of the 14th May last, (marked by slip), regarding the applications of Mr. George Robinson and Mr. W. A. Brewster for lands in the tract which was excluded from the Rocky Mountains Park during the last Session of Parliament.

Mr. Perrin now submits a report prepared by Mr. Scott, setting forth the facts as disclosed by the files of the Parks Administration and the Dominion Lands Administration.

You will remember that when the Bill was before Parliament, Senator Belcourt, on behalf of the Government, gave assurances that no action would be taken in regard to lands being excluded from the Rocky Mountains Park pending the transfer of the resources to the Province of Alberta.

I understand both of these applicants had personal interviews with you at Banff.

Assistant Commissioner.

DOMINION LANDS

Dear Mr. Robinson,-

I have your letter of the 11th ultimo, with respect to your application for a grant of 320 acres in Section 24, Township 24, Range 10, West of the 5th Meridian, on which property you have been living for a number of years, and on which you have placed considerable improvements.

In reply I may say that the Parks Act, which withdrew these lands from the Rocky Mountains Park, was passed by the Senate on the distinct understanding that, pending the general transfer of the natural resources, no grants or appropriations of any kind would be made in the areas being withdrawn.

There was a rather full discussion on this point and under the circumstances, the Department is not in a position to favourably consider your application at the present time. However, we are prepared to place a full statement of your claims before the Provincial authorities when the administration of the natural resources is taken over.

Yours very truly,

Deputy Minister.

MEMORANDUM:-

I submit for your consideration a somewhat peculiar case. We have had many verbal communications here respecting the application for patent of J.J.F. Howlton for the North West 1/4 of Section 34, Township 25, Range 3, West of the 5th Meridian., and on the 21st of October last a certificate of recommendation was countersigned and forwarded to him.

In his evidence Mr. Howlton claimed continuous residence on purchased land adjoining, from the 17th of March, 1903, until the end of April, 1907, with 40 acres broken in 1903, and cultivated in each of the four succeeding years, besides 445 head of stock. He also stated that the entire quarter-section was fenced.

From the preceding it would appear that the duties were satisfactorily performed.

Shortly afterwards one W.F. Gooding filed a statutory declaration stating that there were absolutely no improvements of any kind upon the land, neither

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,

neither fencing, breaking or building.

In view of this the issue of patent was stayed, and the Inspector instructed to report. This he did, and I would ask you to read what he says, namely, - that he found no improvements on the land, at present, although some years ago there had been 25 acres cultivated, but not for the past five or six years; that Mr. Houghton's buildings were on adjoining land, and that the homestead was included in a fence which enclosed the entire ranche. (See plan attached.)

Mr. Houghton was then asked for an explanation, and I would ask you to say whether you consider it satisfactory.

Respectfully submitted,

Your Letter, File No 145916 of 16th December has just been handed me, owing delay in forwarding. I will be very much obliged if the Department require with regard to my homestead. Of course the Department will understand the impossibility of ploughing up more land until the frost falls out of the ground next spring or of fencing for the same reason, the impossibility of digging post holes. Dear Sir:-

Referring to your last letter in this matter to F. F. Houghton, we beg to advise you that Houghton was ordered to go to Vancouver for his health shortly before your letter arrived here. His sight was threatened and the Doctors here ordered an immediate change of climate. We may say that Mr. Houghton's health has been very poor for the last two years, since his head was injured in a fall which he sustained from a pony while playing polo. We mention this as a possible explanation of the fact that proper attention has not been paid to the wishes of the Department concerning the above homestead.

We have advised Mr. Houghton of the contents of your letter and will see that the work is done within thirty days from this date if the Department can see its way clear to allow this further extension.

Gentlemen:- Your favor of the 11th #14501 received. In reply would say that in asking for the information concerning possibility of Frank Houghton obtaining patent to the North West Quarter of Section 21 Township 20 Range 2 West of the 4th Meridian, in our letter of the 1st, we were not aware that it was not the practice of the Department to grant this information. We beg your pardon for our presumption in this matter. I would add however that our motives were of the best, as a client near this city had bought this land with some other, about a year ago and Mr. Houghton continually puts him off stating that the title will be forthcoming in a short time. It is almost a year now and he is still asking him to wait as long as he did a the time the purchase was made. Thanking you for your kindness to reply to my former letter, I remain,

Dear Sir

With regard to my homestead

I am told by the Department that I can have to fence eighty (80) acres. The homestead is in the middle of a section in which there are four. Fencing eighty acres is merely closing eighty acres of grass from the rest of the section of hundred and sixty remaining in its natural state. This fencing cannot be done under $100.00 but I should think that it will cost to $150.00 would it not be well for me to apply to the Department for the return of a portion which will have to be broken

PLEASE QUOTE THIS
FILE No. 1459169

I.I. Ottawa, 2nd May, 1908.

MEMORANDUM:-

I submit the case of Frank Houghton for your consideration.

Mr. Houghton made application for patent for the North West 1/4 of Section 24, Township 25, Range 3, West of the 5th Meridian, and showed continuous residence from March, 1903 until the end of July, 1907, on purchased land in the vicinity, with 40 acres cultivated upon his homestead during five years, and 445 head of stock in each year, with the entire 1/4 section fenced.

The application was accepted and the certificate of recommendation issued in due course.

An application for inspection was then filed on the grounds that there were no improvements on the land.

The Homestead Inspector visited it and found that the homestead formed part of a large tract occupied by Mr. Houghton as a ranch, and that the whole of it was enclosed in a fence, also that 30 acres had been cultivated some years ago, but not for the past five or six years.

Mr. Houghton's explanation is not satisfactory, as he does not appear very certain himself as to what

J.W. Greenway, Esq.,

Commissioner of Dominion Lands.

what was actually done.

He was then informed that he must comply with the regulations and crop 30 acres or fence 80.

Mr. Houghton does not want to cultivate because it is grazing land, and he points out that fencing 80 acres in the middle of his ranch would be wasting money. He offers the Department the sum of $150.00 ,which would be the cost of this work.

I think it probable that Mr. Houghton's duties had been completed, so far as residence and stock are concerned; also that there was some cultivation done, though for how many years is not clear. I would recommend that he be permitted to purchase the land at the rate of one dollar an acre in lieu of the performance of further improvements, and that his homestead right be thereby exhausted.

Respectfully submitted,

Dear Sir:

I made application for the inspection of the N. I have seen the said ¼ sec. to day and find there are no improvements on it, and the only fence now in use enclosing about 100 acres of broken land which is the property of Mr. E. Guy Warner the owner of Elbow Ranche, and I should think it is valued at about $150 the said fence is on an adjoining section and about ½ mile distant from the ¼ section in

question will you kindly give me some information regarding the Y section and think the homesteader has had ample time in which to prove it, he is not living on it properly at present and has no horses, 2 cattle on it of any description he having sold out last year.

If necessary I can get persons in the know the Y section well, to prove my statements to be true and I should like to get a patent on it and some of it broken this fall as early and favorable reply will oblige.

Re your memo dated Nine of the 4th inst.

You state that the portion of the local subdivision 4 covered by water, cannot be disposed of. By referring to the sketch on the file beneath, you will see that in the case of the North-east and South-west quarter of this section, patents were issued for land and water. It is impossible to define the point on the land subdivision, which is not covered by water at times and for no two same lots of the lake. The plan was made to use. Notwithstanding that the lots No. 8001, and the rest of the lots on Sandy Hill, part consist of a large of 41 acres. In the event of the said, Mr., the 1933 the patent to issue on Plan would be returned to Mr. Ford for their action.

Madam,

Referring to your letter of the 2nd instant, I am directed to say that patent for the part of the said subdivision 4 in section 30-52-1-4th, which lies to the west of the lane, is now being issued in your favour and will be forwarded shortly.

In this connection I am instructed to say that according to the report of the homestead inspector, there are only 5 acres of land in the said subdivision, and as the area is less than 10 acres, a patent fee of $10.00 is required. The amount remitted by you in connection with your application was $30.00; therefore after deducting $15.00 for the price of the land at $3.00 per acre and $10.00 for patent fee, there will remain a balance in your favour of $5.00. A refund of this amount will be forwarded to you shortly.

The Secretary,

Dear Sir: re Legal Pt. S.E. 3, Sec. 30, Twp 54, Rge 1, W/5th.

My client Mary Barrie is the registered owner of all that portion of the above land which lies to the east of the lake situate in the said section. She purchased the same from Ann E. McCowsen, patentee. At the time of the purchase Mrs. Barrie was assured that the title carried ownership of a tiny island containing about one quarter of an acre and about 40 feet west of what appears to be the western boundary of the land. The Survey Department of the Land Titles Office is unable to assure her that the island is included in her title and she wishes therefore to receive advice from you in the matter and if the island does not belong to her to ascertain from you upon what terms the island can be bought.

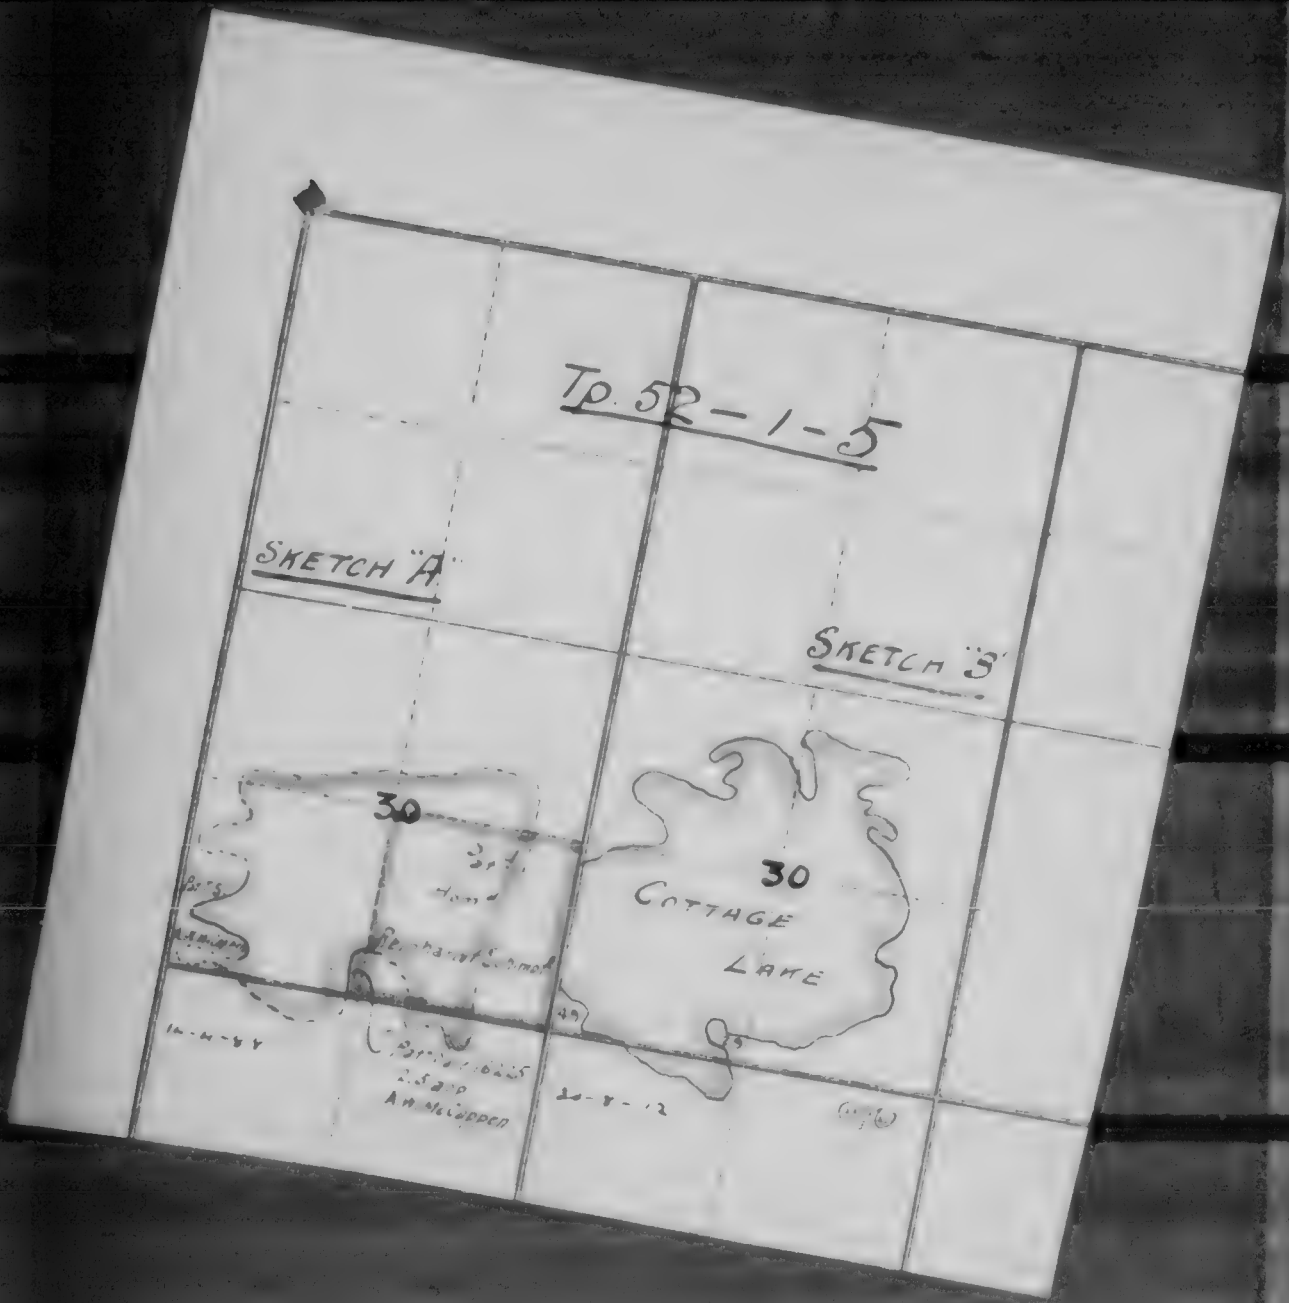

Kindly let us hear from you in the matter.

Yours truly,

WILLIAM BARRIE.

Sir,-

Referring to your letter of the 26th. of March, File #1403195, I beg to send you the report of Mr. Timber Inspector Driscoll and Mr. Timber Inspector Fraser with regard to the Timber on the S. E. of 8 - 39 - 4, West of the 4th. and as to the suitability of the quarter section for farm purposes.

MEMORANDUM

Mr. Moore:

S. E. [illegible]-[illegible]-[illegible], W. [illegible].

The above quarter-section was at one time included in the Portable Sawmill Berth #1183, but has since been cancelled.

The other examiners report the land clear.

A Homestead Inspector was instructed to visit the quarter-section and furnish a full and careful report as to the amount of timber there that be required thereon.

The Chief at Moncton now forwards a report from Timber Inspectors P. [illegible] Prince and [illegible] Fraser which reads as follows:-

"We visited the S. E. of [illegible]-[illegible], West of the 1st, and find [illegible] there are 31,000 feet of spruce and 25,000 feet of [illegible] thereon. There are only 100 acres in this quarter-section north of the river. The timber has been cut by settlers for a number of years; it is covered with [illegible] spruce stumps. The land is very rough and would be very difficult to clear for cultivation."

In view of the foregoing, please say what action is to be taken in this matter.

DEPARTMENT OF THE INTERIOR

OTTAWA, 14th July, 1[illegible].

Sir,

I am to acknowledge the receipt of a copy of your communication of the 23rd ultimo addressed to Mr. [illegible] with respect to her application for homestead entry for the north east quarter of section [illegible], Township [illegible], West of the 4th Meridian, Alta., east of the river.

In reply I may say that Dominion Lands Inspector Wallace furnished a report on the 1st October, 19[illegible], in reference to this land, but his report evidently referred to that portion of the quarter-section lying west of the river. Under the circumstances I am to request you to detail a Dominion Lands Inspector to visit that portion of the quarter-section lying east of the river and furnish a report as to the character of the land and whether in his opinion it should be made available for settlement or reserved for timber purposes.

I will then issue the necessary instructions and have this report furnished with as little delay as possible.

I have the honour to be,
Your obedient servant,

Secretary.

Sir,

Re Fraction 1 S.E.¼ 8-53-[illegible]-4th M.
East of the River.
Homestead - Mrs. Annie L. Thompson.
Your File No. 106417.

I beg to inform you that Mr. H. C. Mortelette of Lamford, Alberta, has made application to this Department to purchase the above described land. Mr. Mortelette has been informed that this land is held under entry by Mrs. Annie L. Thompson and that so long as she complies with the regulations her entry cannot be disturbed, but that if she is not performing settlement duties he is at liberty to make application for the cancellation of her entry. If Mr. Mortelette submits to you his application to cancel the entry in question, such application may be accepted and cancellation proceedings instituted but in the event of the entry being cancelled you are to refer here for instructions before selling any disposition of the land.

Fractional S.E.8-53-2-4th M. North & west of River.

On the 27th September, 1915, you forwarded a report from Timber Inspector Nellson, which showed that a portion of this quarter section lying in the loop of the Lesser River there was a considerable quantity of spruce, in lieu of which the Inspector recommended that the land should be reserved for settlers' permits. You were instructed by Head Office letter of the 30th September, 1915, that the entire South East quarter of Section 8 was to be continued as a reserve for timber for settlers' permits.

Mrs. Annie L. Thompson later was permitted to secure a portion of the South East quarter of Section 8, lying east of the River, under homestead entry but in issuing instructions to you from Head Office on the 2nd June, 1914, the whole of the South East quarter of Section 8 was made available and was posted by you.

Kindly note that if the portion North of and lying in the loop of the River has not been disposed of, it should be withheld from disposal and a further report obtained giving up-to-date information as to the timber thereon.

Your obedient servant,

Secretary.
